

## Verification Statement from LBG Australia & New Zealand – 2015

The LBG model helps businesses improve the measurement, management and reporting of their corporate community investment programs. It covers the full range of contributions (cash, time and in-kind donations) made to community causes.

As managers of LBG Australia & New Zealand, we can confirm that we have worked with Stockland to verify its understanding and application of the LBG model with regard to the wide range of community programs supported.

Our aim has been to ensure that the evaluation principles have been correctly and consistently applied and we are satisfied that this has been achieved. It is important to note that our work has not extended to an independent audit of the data.

We can confirm that Stockland has invested the following amounts in the community in this 2015 reporting year as defined by the LBG methodology.

Cash	\$ 5,048,699
Time	\$ 122,726
In-kind	\$ 707,344
Management costs	\$ 421,614
<b>TOTAL</b>	<b>\$ 6,300,383</b>
