

Nara Masterplan

The Nara masterplan brings a thoughtfully designed community to life, with seven planned stages offering a variety of architecturally crafted townhouses to suit every lifestyle. From stylish one-bedroom homes to spacious four-bedroom residences, each release reflects our commitment to sustainable, connected living.

Release 1 is now available, featuring four unique townhouse designs.

Masterplan supplied for the purpose of providing an impression of Stockland's Nara residential community and the approximate location of existing and proposed third-party infrastructure, facilities, amenities, services, and destinations. It is not intended to be used for any other purpose. Indications of location, distance, or size are approximate and for indicative purposes only. Subject to change. Not to scale. This masterplan is based on the intention of, and information available to, Stockland at the time of creation (November 2024), and details may change due to future circumstances.
